

LAWorld – The International Legal Network

Global Diversity

LAWorld is a non-exclusive international legal network of approximately 60 independent mid-sized law firms covering most of the major commercial centres around the world, with more than 1400 lawyers across 115 cities. LAWorld's mission is to provide clients and other lawyers with instant access to quality local legal advice virtually anywhere in the world.

Helping You Cross Borders

Need a lawyer in a foreign jurisdiction? Have a complex multi-national legal challenge? LAWorld is the cost-effective, independent, international business law firm alternative to the branch office of a mega law firm in a foreign jurisdiction. By reaching out to any firm in the network, a client has access to a premier local firm in the jurisdiction needed.

Local Legal Expertise

LAWorld provides quality local legal expertise with members working together seamlessly to achieve the best results for their clients. Our members have significant experience providing a broad range of legal services on matters such as cross border commercial transactions, company acquisition and restructuring, real estate acquisition and development, credit security and recovery, data protection, employment, intellectual property, tax and estate planning, banking and financial services, government investigations, insurance and competition law.
