Global Cover

LAWorld is a non-exclusive international legal network of seventy independent, full service and top tier law firms covering most major commercial centres around the world with more than 4000 lawyers. Its central purpose is to provide the clients of its members with instant access to trusted legal advice anywhere in the world.

Local Legal Expertise

LAWorld delivers high-quality local legal expertise, with member firms collaborating seamlessly to achieve optimal outcome for their clients. Our independent member firms combine deep local knowledge with international perspective and experience. Clients benefit from the personal engagement, agility, and cost-efficiency of our trusted top tier members, while enjoying the resources and reach of a coordinated global network. We provide extensive expertise in a broad range of legal services, including cross-border commercial transactions, company acquisitions and restructurings, real estate acquisitions and developments, credit security and recovery, information technology and data protection, employment law, intellectual property, tax and estate planning, banking and financial services, government investigations, insurance, and competition law. Our mission is to enable clients to navigate complex multi-jurisdictional legal matters with confidence. By connecting clients to trusted local counsel worldwide, LAWorld offers a strategic and sophisticated alternative to large international law firms—combining quality, responsiveness, and true local expertise.

Helping You Cross Borders

Need a lawyer in a foreign jurisdiction? Have a complex multi-national legal challenge? LAWorld is the cost-effective, independent, international business law firm alternative to the branch office of a mega law firm in a foreign jurisdiction.
